

Open a lifetime of literacy and learning.

The new name in literacy that's been around for 70 years. With EPS Learning, formerly EPS School Specialty, educators and students benefit from our 70 years of experience and our team's focused attention on expanding and enhancing our solutions. From PreK to high school, we're advancing literacy as the springboard to lifelong learning and opportunity.

EPS Learning is a proud literacy partner of the Ohio Council of Educational Purchasing Consortia through the AEPA (Association of Educational Purchasing Agencies).
