

ARCHITECTS + ENGINEERS + PLANNERS

Highland LSD
Sharon Elementary School

Redefining Education. **Transforming Futures.**

We're GPD

GPD Group (GPD) has been proudly providing architecture and engineering services to Ohio school districts for more than 60 years. Our culture of collaboration enables GPD's in-house team of designers to create environments that are safe and secure, timeless and inspiring to students, educators and community members alike.

Full-Service

We are an A&E team committed to quality services.

Employee-Owned

We think like owners because we are owners.
