

NEW!

Behavior Suite

High-quality universal behavior support optimizes learning and well-being. Fostering positive behaviors, decreasing behaviors that interfere with learning, and maximizing both student and educator success requires a holistic approach.

- Foster sense of safety and well-being.
- Increase time spent on meaningful instruction.
- Improve academic performance.

RethinkEd

RethinkEd's **Behavior Suite** Helps You Maximize Student Learning and Minimize Classroom Disruption

Educators

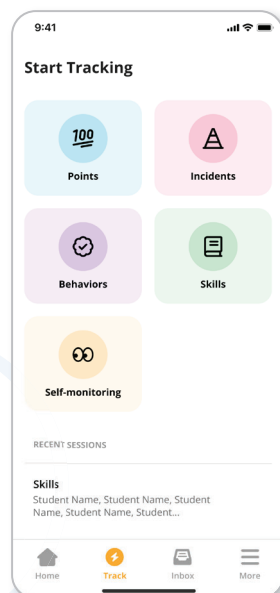

Educators can track, intervene, and analyze behaviors with a variety of effective behavior tools.

Students

Students redeem and view earned points while tracking their behavior with self-monitoring tools.

Families

Families are informed of incidents, contracts, and plans.

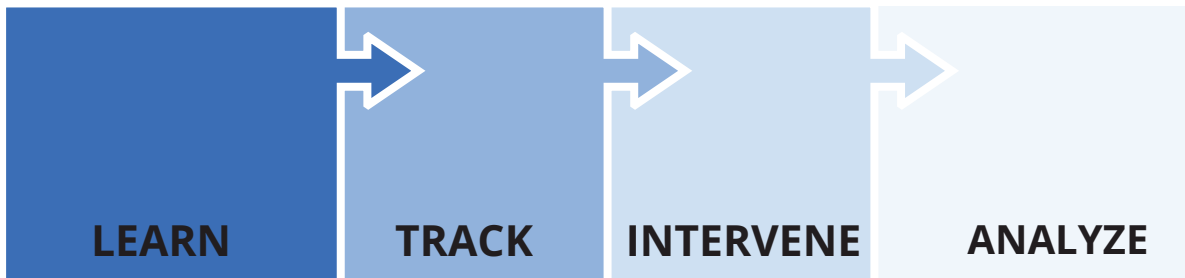

Mobile App

Easy to use data collection tools allow educators to track student behavior, communicate with team members, and receive alerts in real time.

A Complete Solution

Features

BEHAVIOR TRAINING SERIES:

Evidence-based training is designed to help educators and staff understand why students may be engaging in behaviors that interfere with learning, what to do to prevent those behaviors from occurring, and how to increase positive behaviors and decrease inappropriate ones.

TIERED BEHAVIOR INTERVENTION TOOLS:

- Tier 1: Behavior PD, points system, and incident tracking
- Tier 2: Behavior contract, self-monitoring, and targeted behavior tracking
- Tier 3: ABC assessment, behavior plans, and custom district alerts help identify students who might be at risk.

STUDENT CENTER:

Empowers Students to:

- Redeem and view earned points
- Track and manage their behavior with self-monitoring tools
- View reports shared by their teacher
- Communicate regularly via the messaging system

BEHAVIOR POINTS:

Students can earn points for positive behaviors while also allowing educators to record common challenging behaviors.

BEHAVIOR CONTRACTS:

Created to establish student goals, rewards for meeting goals, and consequences.

BEHAVIOR SUPPORT REPORTS:

Robust reports provide overview and details about specific behavior incidents, actions taken, students involved, and BIP progress.

INCIDENT REPORTS:

Documentation of incidents allows the district to determine the best course of action for fostering positive behaviors.

BEHAVIOR PLANS:

A step-by-step guided template allows educators to create effective behavior intervention plans.

BEHAVIOR TRACKING:

Educators can track behaviors for a single student, group of students, or whole class via browser or mobile app.

SELF-MONITORING:

Students can track and monitor their own behavior within the Student Center.

RethinkEd

Together We Power Potential

About Us

RethinkEd was founded on a simple, yet powerful idea: To re-think education. To make it better and easier. To unburden school districts and empower educators. To improve outcomes and elevate accountability. To promote collaboration and inspire learning. And most importantly, to make a difference for everyone – administrators, educators, students, families, and caregivers.

The RethinkEd solution is part of RethinkFirst, a global company that is transforming behavioral healthcare. Similar to RethinkFirst's other solutions that are innovating and improving outcomes for clinicians and employers globally, RethinkEd is pioneering EdTech with our relentless pursuit of innovative methods that put evidenced-based, data-informed, digitally delivered instruction and assessments into the hands of educators, clinicians, and parents who share our singularly minded focus: To power the potential of all children and to work together to help them succeed.
